COMPANY OVERVIEW

Established in 1996, Gajet Financial Services (P)ltd, is a Non-Banking Finance Company(NBFC) offering diversified products to serve various financial needs of the customers . This includes **Gold Loans, Microfinance, Investments (NCD and shares), and insurance brokerage business.**

29 years of trust, social commitment, service excellence built on the confidence of the patrons, who invested with us. Gajet strives to differentiate ourselves through customer centricity, innovation, entrepreneurship, trustworthiness and values-driven operation.

VISION AND MISSION

Vision

Most trusted, diversified organization stands with the society striving to enrich the lives of the masses.. We believe in connecting with people, person to person, with empathy and understanding.

Mission

Be a leading customer centric NBFC with highest standard of professionalism and uncompromising values.

CORE VALUES

GAJET is building business that will achieve growth through excellence and innovation, while balancing the interests of its customers, employees and civil society anchored in values and strong ethics. Gajet brand stands for Trust, quality, business leadership, ethical standards and respect for all of its customers.

OUR PRODUCT

GOLD LOAN

MAXIMUM VALUE WITH LOWEST INTEREST

Gold loan (also called loan against gold) is a secured loan taken by the borrower from a lender by pledging their gold articles as collateral. The loan amount provided is a certain percentage of the gold, typically upto 80%, based on the current market value and quality of gold.

- **No Other Hidden Charges**
- **No Processing Charges**

NCD

Non-Convertible Debentures are those Debentures, which are not convertible to equity shares of the company and it can be redeemed at the expiry of a specified period. Thus, NCD is an instrument of debt, executed by the company, acknowledging its obligation to repay the sum along with specified rate of interest. We issue NCD only through private placement.

OUR TEAM

Great teams are built of mutual trust, shared ownership and accountability, and the best results are achieved when people work together for meeting the full needs of our customers. We trust in integrity and disciplined management, which forms the foundation of our business. In order to achieve the full potential, we help our employees . We respect every team member, who comes from diverse backgrounds and experiences..

Gajet is managed by professionals with vast proficiency and experience in financial sectors across the world ,who ensures that our decisions are clear, fair and grounded on the principles of responsible citizenship, community building and shared success.
